Introduction

Amanda Dinan is a dear friend and one of my heroes. She uses her art as a blessing to others and to glorify God. She loves God and others deeply. She is a gentle and humble spirit who is an inspiration to me and to all she meets. These are some of her paintings.

I have written lyrics to songs that are an attempt to express some of the feeling and intent behind some of her paintings. I may be off the mark in some cases, but the good news is that I know she will forgive me! I am using these with her permission. Note that the song titles are the same as the titles she gave her paintings.

You can find the music to these songs at archive.org/details/amanda-songs and listen to them with the built-in music player. You can also find these songs (along with other songs by me) at obeygc2.com/radio.

You can find many other free resources that I have developed in many languages at obeygc2.com. You can also find free training in how to grow as a disciple-maker at zume.training.

May this art and these songs be as much of an encouragement to you as they are to me.

Great is His
Faithfullness

The Lion

[Verse 1]
Before my voice begins its singing,
You already hear my song.
Every heartbeat You are holding,
You have loved me all along.
In the silence, in the shadows,
You are nearer than my breath.
Lion-Lord of mercy, kindness,
You have triumphed over death.

[Chorus]
You are the Lion who sings over me,
Faithful forever, my strength and my peace.
Gentle and mighty, Your justice will rise—
Jesus, my Savior, the Light in my eyes.
Before I can speak it, my praise You have known;
You call me Your child, and You welcome me home.

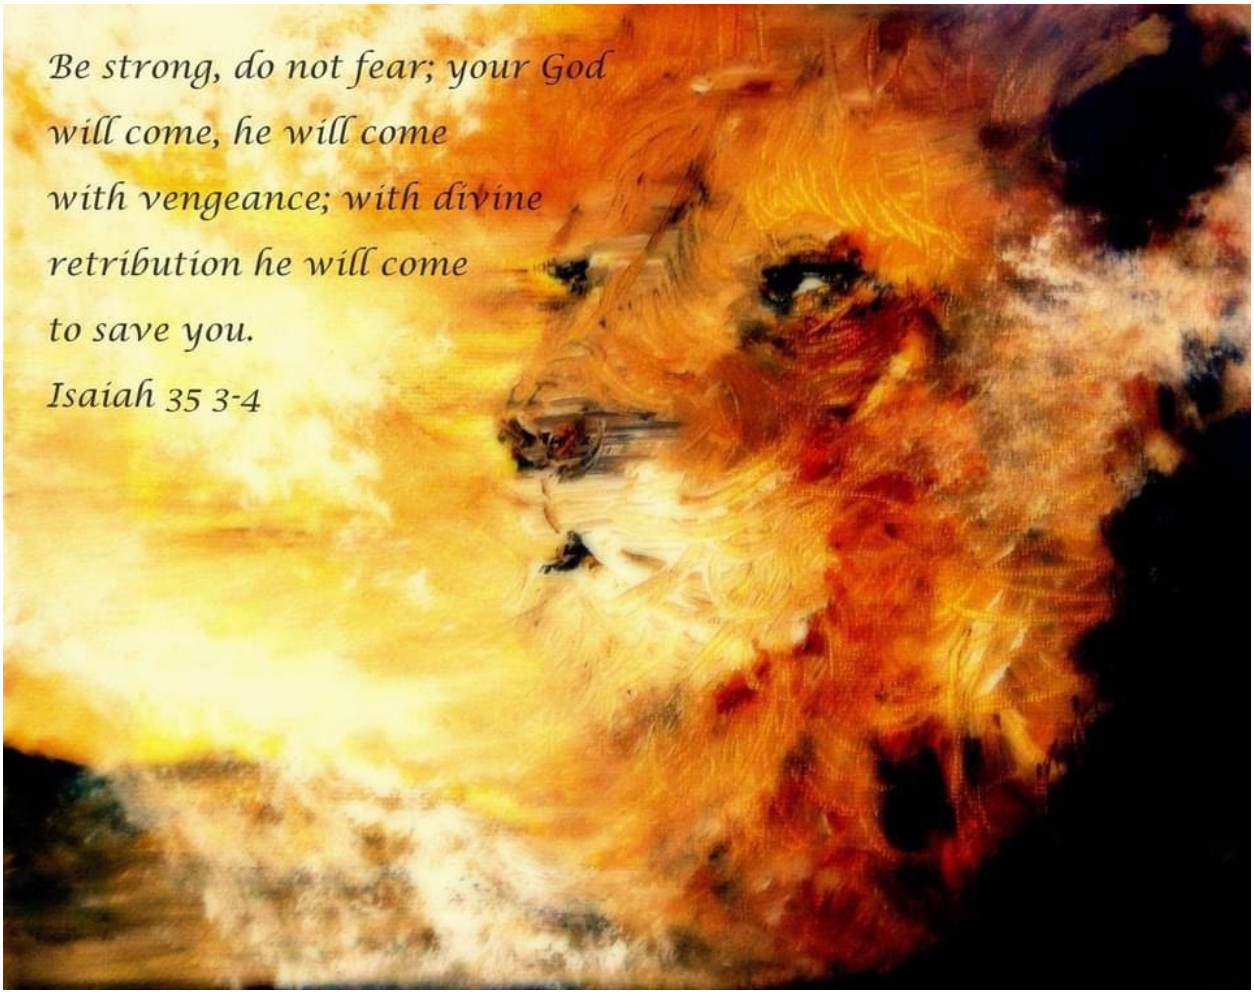
[Verse 2]
A bruised reed You will not shatter,
Wicks still burning You restore.
You remind me my story's not over,
There is grace for so much more.
Through the trials and through the heartache,
You are whispering, "Do not fear."
For Your steadfast love is morning,
And Your presence draws me near.

[Chorus]
You are the Lion who sings over me,
Faithful forever, my strength and my peace.
Gentle and mighty, Your justice will rise—
Jesus, my Savior, the Light in my eyes.
Before I can speak it, my praise You have known;
You call me Your child, and You welcome me home.

[Bridge]
You hear my prayer before it's spoken,
You lift my soul and make me whole.
You breathe new life into the broken,
You write Your mercy on my soul.

[Final Chorus]
You are the Lion who sings over me,
Faithful forever, my strength and my peace.
Morning by morning Your mercy is new—
Jesus, my refuge, my hope is in You.
All of my days I will trust in Your hand;
Lion of Judah, forever You stand.

[Tag]
Lead me, Lord Jesus—
I lift up my soul,
I trust in Your goodness,
For You make me whole.



Be strong, do not fear; your God
will come, he will come
with vengeance; with divine
retribution he will come
to save you.
Isaiah 35 3-4

Rose Singing

[Verse 1]
Breathe in the sweetness of heaven's air,
Jesus is with you, His presence is there.
You're not forgotten, you're never alone
—
He calls you His daughter, He calls you His own.
Lift up your story, your testimony bright;
You are His new creation, awakened to light.

[Chorus]
I am a rose singing praise to the King,
Made new in Jesus, His love makes me sing.
Salt of the earth, set apart for His plan—
Carried by grace in the palm of His hand.
Hope in His promise, forever made new,
Jesus is faithful—He's leading me through.

[Verse 2]
Rest in His kindness, let all striving cease,
He gives you His presence, He gives you His peace.
You are not meant to blend into the night
—
He made you to shine with a heavenly light.
He goes before you, He stands by your side;
Safe in His mercy, in Him you abide.

[Chorus]
I am a rose singing praise to the King,
Made new in Jesus, His love makes me sing.
Salt of the earth, set apart for His plan—
Carried by grace in the palm of His hand.
Hope in His promise, forever made new,
Jesus is faithful—He's leading me through.

[Bridge]
Old things have vanished, the new has begun,
Rivers of glory rise bright in the Son.
Tell of His goodness—His truth never ends;
He turns every story to blessings again.

[Final Chorus]
I am a rose singing praise to the King,
New life in Jesus, my soul starts to ring.
Wherever He sends me, His Kingdom I'll show—
Shining His love so the whole world may know.
Hope everlasting, forever made new—
Jesus, my Savior, I'll follow You through.

[Tag]
Breathe in His presence—
You're held by His hand.
Jesus is with you,
And with Him you stand.

Girl Running

[Verse 1]
Through the valley of the waiting,
Through the nights that feel so long,
You've been running through the heartache,
Wondering when you'll still be strong.
Yet the Lord is running with you,
Every tear His eyes have seen;
Weeping lingers for a moment,
But His joy breaks in between.

[Chorus]
Girl running, lift your eyes—
Morning light is on the rise.
Jesus walks beside your steps,
Every breath His love supplies.
Rivers flow where deserts were,
He is making all things new.
Girl running, don't lose hope—
He is running too.

[Verse 2]
No, the problems will not linger
Longer than His faithful hand.
He is carving out a pathway,
Making streams in barren land.
What feels broken, He is healing,
What feels ended, He revives.
He is doing something new now—
Hope is waking in your life.

[Chorus]
Girl running, lift your eyes—
Morning light is on the rise.
Jesus walks beside your steps,
Every breath His love supplies.
Rivers flow where deserts were,
He is making all things new.
Girl running, don't lose hope—
He is running too.

[Bridge]
Behold, He is moving,
Behold, He is near.
The wilderness trembles
As His streams appear.
You'll stand in the sunrise
With joy on your face—
For Jesus has carried you
Deep in His grace.

[Final Chorus]
Girl running, lift your eyes—
Morning joy has filled the skies.
Every sorrow He redeems,
Every prayer He sanctifies.
Rivers flow and hope returns,
Life springs up from morning dew.
Girl running, take His hand—
He will lead you through.

[Tag]
See, He is doing a new thing—
And He is doing it in you.

Bird Circles

[Verse 1]
High above the weary valleys,
Circling in the desert air,
Hope is rising like a promise
Spoken softly in your prayer.
Every burden you've been carrying,
Every night that felt so long—
Jesus whispers through the stillness,
"Child, My joy is still your song."

[Chorus]
Bird circles in the heavens wide,
Faith lifts you on every side.
Morning mercy breaks the night—
Jesus makes the darkness light.
In the wasteland streams appear,
Living waters drawing near.
Do not fear what lies ahead—
Your hope in Him is daily bread.

[Verse 2]
Problems fade and seasons turn,
Nothing lasts but God's own grace.
He is doing something new now,
Making pathways in this place.
Where you thought the ground was barren,
Life will bloom beneath His hand.
For the Lord your God is faithful—
He is working where you stand.

[Chorus]
Bird circles in the heavens wide,
Faith lifts you on every side.
Morning mercy breaks the night—
Jesus makes the darkness light.
In the wasteland streams appear,
Living waters drawing near.
Do not fear what lies ahead—
Your hope in Him is daily bread.

[Bridge]
"My portion is the Lord," you say,
And hope begins to rise again.
He turns every weary struggle
Into rivers without end.
Trust Him in the waiting,
Trust Him in the pain—
He is writing resurrection
In the dry and empty plain.

[Final Chorus]
Bird circles where the blue winds flow,
Grace lifts you more than you can know.
Every dawn His mercies shine,
Endless love by His design.
In the wilderness He stands,
Streams of hope within His hands.
Lift your eyes—the Lord is near,
And your morning light is here.

[Tag]
See, He is doing a new thing—
Right now, right here, in you.

Grass Will Bow

[Verse 1]
When You called, the world stood silent,
No one answered, no one came.
Yet Your voice still shook the heavens,
Still the seas obey Your name.
By Your word the waters vanish,
By Your breath the storms release.
God of power, God of mercy,
Speaking justice, speaking peace.

[Chorus]
Every mountain, every meadow,
Every wind that sweeps the ground—
All creation knows Your glory,
Every blade of grass will bow.
You are mighty in Your rescue,
Arm of strength that never fails.
Lord of heavens, Lord of oceans,
You are God and You prevail.

[Verse 2]
Clothed the skies in deepest darkness,
Draped the night with holy fear.
Yet You walk beside Your children,
Saying softly, "I am here."
Though the rivers turn to desert,
Though the daylight fades to ash,
Still Your faithful love surrounds us,
Still Your promises will last.

[Chorus]
Every mountain, every meadow,
Every wind that sweeps the ground—
All creation knows Your glory,
Every blade of grass will bow.
You are mighty in Your rescue,
Arm of strength that never fails.
Lord of heavens, Lord of oceans,
You are God and You prevail.

[Bridge]
Not too short Your arm to save us,
Not too weak Your hand to guide.
You rebuke the sea with power,
You restore the desert's pride.
When we tremble in our doubting,
Still Your love is lifting us—
God whose strength commands creation,
God whose heart is always just.

[Final Chorus]
Every mountain, every meadow,
Every breath that stirs the ground—
All creation bends in worship,
Every blade of grass will bow.
You deliver, You sustain us,
Every promise stands secure.
Holy Father, strong Redeemer,
You are mighty—ever sure.

[Tag]
Lord of glory, speak again—
All the earth will bow.

Beauty from Ashes

[Verse 1]
There are pieces I've been hiding,
Parts of me I fear to show.
Years of shadows on my story,
Wounds that only You can know.
But You meet me in the hurting,
With a tenderness so true;
You are gentle with the fragile,
And You make my heart brand new.

[Chorus]
Beauty from ashes,
Healing from broken places within.
Jesus, You see me—
All of my sorrow, all of my sin.
With Your compassion,
You gather the pieces I've tried to disguise.
Beauty from ashes—
Your mercy is opening my eyes.

[Verse 2]
Your Word cuts through every darkness,
Reaches where I cannot go.
Sharper than the sword of judgment,
Yet more loving than I know.
You divide the soul and spirit,
You uncover what is true;
And the hurt I never mention,
You are faithful to renew.

[Chorus]
Beauty from ashes,
Healing from broken places within.
Jesus, You see me—
All of my sorrow, all of my sin.
With Your compassion,
You gather the pieces I've tried to disguise.
Beauty from ashes—
Your mercy is opening my eyes.

[Bridge]
Here in surrender,
I find that Your presence is kind.
Here in the open,
You steady the fears in my mind.
Never forsaken,
My heart learns to trust and to rest—
God of all comfort,
In You every burden is blessed.

[Final Chorus]
Beauty from ashes,
Life from the ruins You lovingly raise.
Jesus, my Healer,
My heart is a witness to marvelous grace.
All of the hidden,
You turn into glory I never could see—
Beauty from ashes,
You're making a new heart in me.

[Tag]
I surrender—
Let Your will be done in me.

A Time to Heal

[Verse 1]
Outwardly the days seem steady,
But inside I come undone.
All the hurt I thought was buried
Rises when the day is done.
Still You come with gentle nearness,
Speaking peace that calms my fear—
Jesus, You restore the seasons,
And You hold me close and near.

[Chorus]
There is a time to heal,
A time to rise again.
A time to find Your refuge
When my strength is at its end.
There is a time to weep,
A time to dance in grace—
Jesus, in every season
You are meeting me in this place.

[Verse 2]
Roots feel weak beneath the soil,
I can't find my steady ground.
But You hold me through the tremors
When my peace cannot be found.
All the pain I keep in silence,
You have counted, every part.
Lord, You shelter me in mercy—
You revive my weary heart.

[Chorus]
There is a time to heal,
A time to rise again.
A time to find Your refuge
When my strength is at its end.
There is a time to weep,
A time to dance in grace—
Jesus, in every season
You are meeting me in this place.

[Bridge]
You are the One who comforts,
The One who freely gives.
You see the unseen battles,
You speak the word that lifts.
Through every changing moment,
Your faithfulness is sure—
My Savior in the darkness,
My hope that will endure.

[Final Chorus]
There is a time to heal,
And Lord, that time is now.
You carry all the sorrow
And You teach my heart to bow.
There is a time for joy,
A time for faith made new—
Jesus, in every season
I will place my trust in You.

[Tag]
You are with me—
Day and night,
Season after season.

The Cross

[Verse 1]
At the doorway of the morning,
Where the shadows used to lie,
Heaven's word breaks through the silence—
"See the stone rolled from on high."
Every fear begins to crumble,
Every doubt is swept away;
For the tomb once sealed in darkness
Shines with resurrection day.

[Chorus]
He is risen—just as He said,
Hope has awakened, death has fled.
Jesus, Messiah, strong to save,
Stepping in triumph out of the grave.
Lift up your eyes, behold the Son—
Victory stands, the work is done.

[Verse 2]
All the promises He uttered,
Every word proved true today.
He has conquered hell and sorrow,
Broken chains that bound our way.
Now the world is filled with wonder,
Life restored in every breath;
Christ the Lord is our salvation—
Love has overcome the death.

[Chorus]
He is risen—just as He said,
Hope has awakened, death has fled.
Jesus, Messiah, strong to save,
Stepping in triumph out of the grave.
Lift up your eyes, behold the Son—
Victory stands, the work is done.

[Bridge]
Come and see the empty place,
Where the King once lay in grace.
Hear the angel's joyful cry—
"Christ is living, death has died!"
Let the world in worship rise—
Resurrection fills the skies.

[Final Chorus]
He is risen—just as He said,
Crowned with glory, darkness shed.
Jesus, Redeemer, holy, true,
Bringing all things life anew.
Lift up your hearts, your voices raise—
Worship the Lamb with endless praise.

[Tag]
He is risen—
Forever He reigns.

Hand of God

[Verse 1]
Mountains rise before my footsteps,
Walls too high for me to climb.
Yet You whisper through the silence,
"Child, My strength is not like time."
What seems fixed begins to open,
What seems closed begins to yield—
For Your hand is carving pathways
Where my scars have never healed.

[Chorus]
By the hand of God,
Every mountain becomes a road.
By the hand of God,
Every burden finds a lighter load.
Jesus never disappoints—
He is faithful, He is near.
By the hand of God,
Hope is rising even here.

[Verse 2]
Through the valleys of confusion,
Where the shadows linger long,
Still You guide me with compassion,
Turning weakness into song.
Every fear becomes a witness
To the mercy You reveal—
You are making ways through heartache
Only Your great love can heal.

[Chorus]
By the hand of God,
Every mountain becomes a road.
By the hand of God,
Every burden finds a lighter load.
Jesus never disappoints—
He is faithful, He is near.
By the hand of God,
Hope is rising even here.

[Bridge]
You lift the low,
You raise the worn,
You break the night,
You birth the morn.
You speak a word,
The road appears—
Your presence stronger
Than my fears.

[Final Chorus]
By the hand of God,
Every mountain bows to grace.
By the hand of God,
Light breaks through the darkest place.
Jesus, Savior, all my trust
Finds its resting place in You.
By the hand of God,
Every promise proves You true.

[Tag]
Lead me onward—
Your hand makes the way.

Crown

[Verse 1]
In the hollow of His hand,
Where every precious life is known,
There He holds your little one—
Safe, beloved, and fully His own.
In the quiet of your sorrow,
When your heart breaks at the seam,
Jesus whispers through the heartache,
"I am nearer than you dream."

[Chorus]
He gives a crown for the ashes,
Oil of joy for the tears you've cried.
In the valley of mourning,
He is standing by your side.
Every bud that seemed forgotten
Blooms again beneath His care.
He gives beauty for the broken—
For His love is always there.

[Verse 2]
Every memory is treasured,
Every heartbeat held in grace.
He is faithful in the shadows,
He brings light into this place.
Like the orchid long in waiting,
Silent, bare, and seeming gone—
Yet one morning burst with colors,
Proving hope was never done.

[Chorus]
He gives a crown for the ashes,
Oil of joy for the tears you've cried.
In the valley of mourning,
He is standing by your side.
Every bud that seemed forgotten
Blooms again beneath His care.
He gives beauty for the broken—
For His love is always there.

[Bridge]
Your baby is His blessing,
His joy, His tender peace.
And the Father who restores you
Brings new mercies without cease.
He gathers every teardrop,
He remembers every plea—
In the chambers of His kindness,
He holds both your hearts in peace.

[Final Chorus]
He gives a crown for the ashes,
Hope that rises from the ground.
In the night of deepest sorrow,
Still His faithfulness is found.
For the God who tends the orchids
Calls you precious, cherished, true—
And the One who keeps your little one
Keeps His loving hand on you.

[Tag]
Great is His faithfulness—
Morning by morning, hope blooms anew.

Sunflower

[Verse 1]
Wherever You send me, Your presence goes first,
Light in the shadows, strength in the thirst.
Before I speak a single word,
Your glory in me can still be heard.
You make my heart a shining place—
A quiet witness to Your grace.

[Chorus]
Like a sunflower turning to the sun,
I lift my face to the Holy One.
Your light within me warms the air—
Your love is growing everywhere.
And the comfort You've given me,
I'll pour out for all to see.
For You are with me, always near—
Never forsaking, ever here.

[Verse 2]
Your presence changes every room,
Breaks through the silence, lifts the gloom.
Greatness in me not my own—
It's You, O Lord, upon the throne.
Teach my heart to freely give
The love You've shown, the way You live.

[Chorus]
Like a sunflower turning to the sun,
I lift my face to the Holy One.
Your light within me warms the air—
Your love is growing everywhere.
And the comfort You've given me,
I'll pour out for all to see.
For You are with me, always near—
Never forsaking, ever here.

[Bridge]
Shine through my weakness,
Shine through my fear.
Let every heartbeat
Know You are near.
Fill me with kindness,
Make my life true—
Jesus, my Savior,
Make me like You.

[Final Chorus]
Like a sunflower turning to the sun,
I rise in hope till the day is done.
Your love surrounds me, calm and bright —
A field of mercy in Your light.
And every step, in joy or pain,
Your faithful presence will remain.
Forever held within Your care—
Jesus, my comfort everywhere.

[Tag]
You are with me—
Always, always.

Drowning

[Verse 1]
Some days I'm barely floating,
Some days I'm sinking fast.
Waves of fear and heavy sorrow
Make me wonder if I'll last.
But You, O Lord, are ever present,
Closer than my anxious breath—
Your living water lifts me upward,
Pulling me from depths of death.

[Chorus]
When I feel like I'm drowning,
Your hand is reaching down for me.
When the mountains tower over,
You speak and they melt into the sea.
You redeem my life from the deep,
You calm the storms I cannot see.
Jesus, my shelter, my rescue—
Your love is surrounding me.

[Verse 2]
Some days the weight is crushing,
And I struggle just to stand.
But nothing that consumes me
Can ever swallow up Your hand.
You guide me through the shadows,
Through the waters cold and wide—
And with a tenderness unending
You stay always at my side.

[Chorus]
When I feel like I'm drowning,
Your hand is reaching down for me.
When the mountains tower over,
You speak and they melt into the sea.
You redeem my life from the deep,
You calm the storms I cannot see.
Jesus, my shelter, my rescue—
Your love is surrounding me.

[Bridge]
You take my trembling hand in Yours,
You walk me through the rising tide.
No wave can shake the grip of God—
No darkness dims the One who guides.
Your mercy meets me where I fall,
Your grace unfolds, restoring me—
For every valley, every flood,
Your presence is my victory.

[Final Chorus]
When I feel like I'm drowning,
You lift me with Your faithful hand.
When the mountains melt like wax,
You steady me so I can stand.
You redeem my life from the deep,
You breathe Your peace into my sea.
Jesus, my Savior forever—
Your love has delivered me.

[Tag]
Lord Jesus, take my hand—
Walk me through the waters.

Angels Will Bow

[Verse 1]
Unto us the Child is given,
Heaven's glory wrapped in grace.
Light has entered weary darkness,
Hope has stepped into our place.
Every promise finds its answer
In this Son the prophets named—
Wonderful in perfect wisdom,
Holy is His mighty name.

[Chorus]
Angels will bow, nations will sing,
Glory to Jesus, our Savior and King.
Mighty God, our Peace, our Light—
Ruling with justice, breaking the night.
Everlasting Father, faithful and true—
All of creation gives honor to You.

On His shoulders rests the Kingdom,
On His lips the word of peace.

Bringing captives sweet release.

Every heart in love.

Glory to Jesus, victorious King.
Heaven resounds with praises anew—
Holy Redeemer, all honor to You.
Everlasting Father, faithful and true—
Jesus Messiah, all worship is due.

[Tag]
His Kingdom is forever—
Let every heart adore.

Mamoo

[Verse 1]
Morning breaks upon the pathway,
Shadows fade beneath Your light.
Every step becomes steadier,
As Your truth makes day from night.
What was dim now glows with mercy,
What was hidden now is clear—
For the path the righteous walk on
Shines with glory drawing near.

[Chorus]
Brighter and brighter,
Your light upon my way.
Jesus, my Leader,
You're guiding me each day.
From the first faint glow of morning
To the fullness of midday—
Brighter and brighter,
You lead me in Your way.

[Verse 2]
Even when the road feels narrow,
Even when my strength is small,
Still Your hand goes on before me,
Keeping me from every fall.
Faithfulness is ever rising,
Grace is shining from Your face—
For the righteous path You give me
Is a pathway sealed with grace.

[Chorus]
Brighter and brighter,
Your light upon my way.
Jesus, my Leader,
You're guiding me each day.
From the first faint glow of morning
To the fullness of midday—
Brighter and brighter,
You lead me in Your way.

[Bridge]
What a joy to walk with Jesus,
What a peace to know His hand.
Every moment growing brighter,
As His truth helps me to stand.
Soon the night will fade completely—
Glory rising everywhere;
And the One who walks beside me
Leads me home with tender care.

[Final Chorus]
Brighter and brighter,
Your light forever true.
Jesus, my Shepherd,
My heart belongs to You.
From the dawn of faith's first calling
To the day You break the skies—
Brighter and brighter,
Your glory fills my eyes.

[Tag]
The morning sun is rising—
And You are my light.

Shepherd

[Verse 1]
Lift up your eyes to the heavens tonight,
See every star He calls by name.
Not one is lost, not one forgotten—
His mighty power remains the same.
And if He knows the hosts of heaven,
Numbered by His perfect hand,
How much more His love surrounds you,
How much more His mercies stand.

[Chorus]
Shepherd of my soul,
You lead me through it all.
In every fear, in every storm,
You hear my faintest call.
You named the stars in endless skies—
Yet still You think of me.
Shepherd of my soul,
Forever I will be
Held in Your mercy.

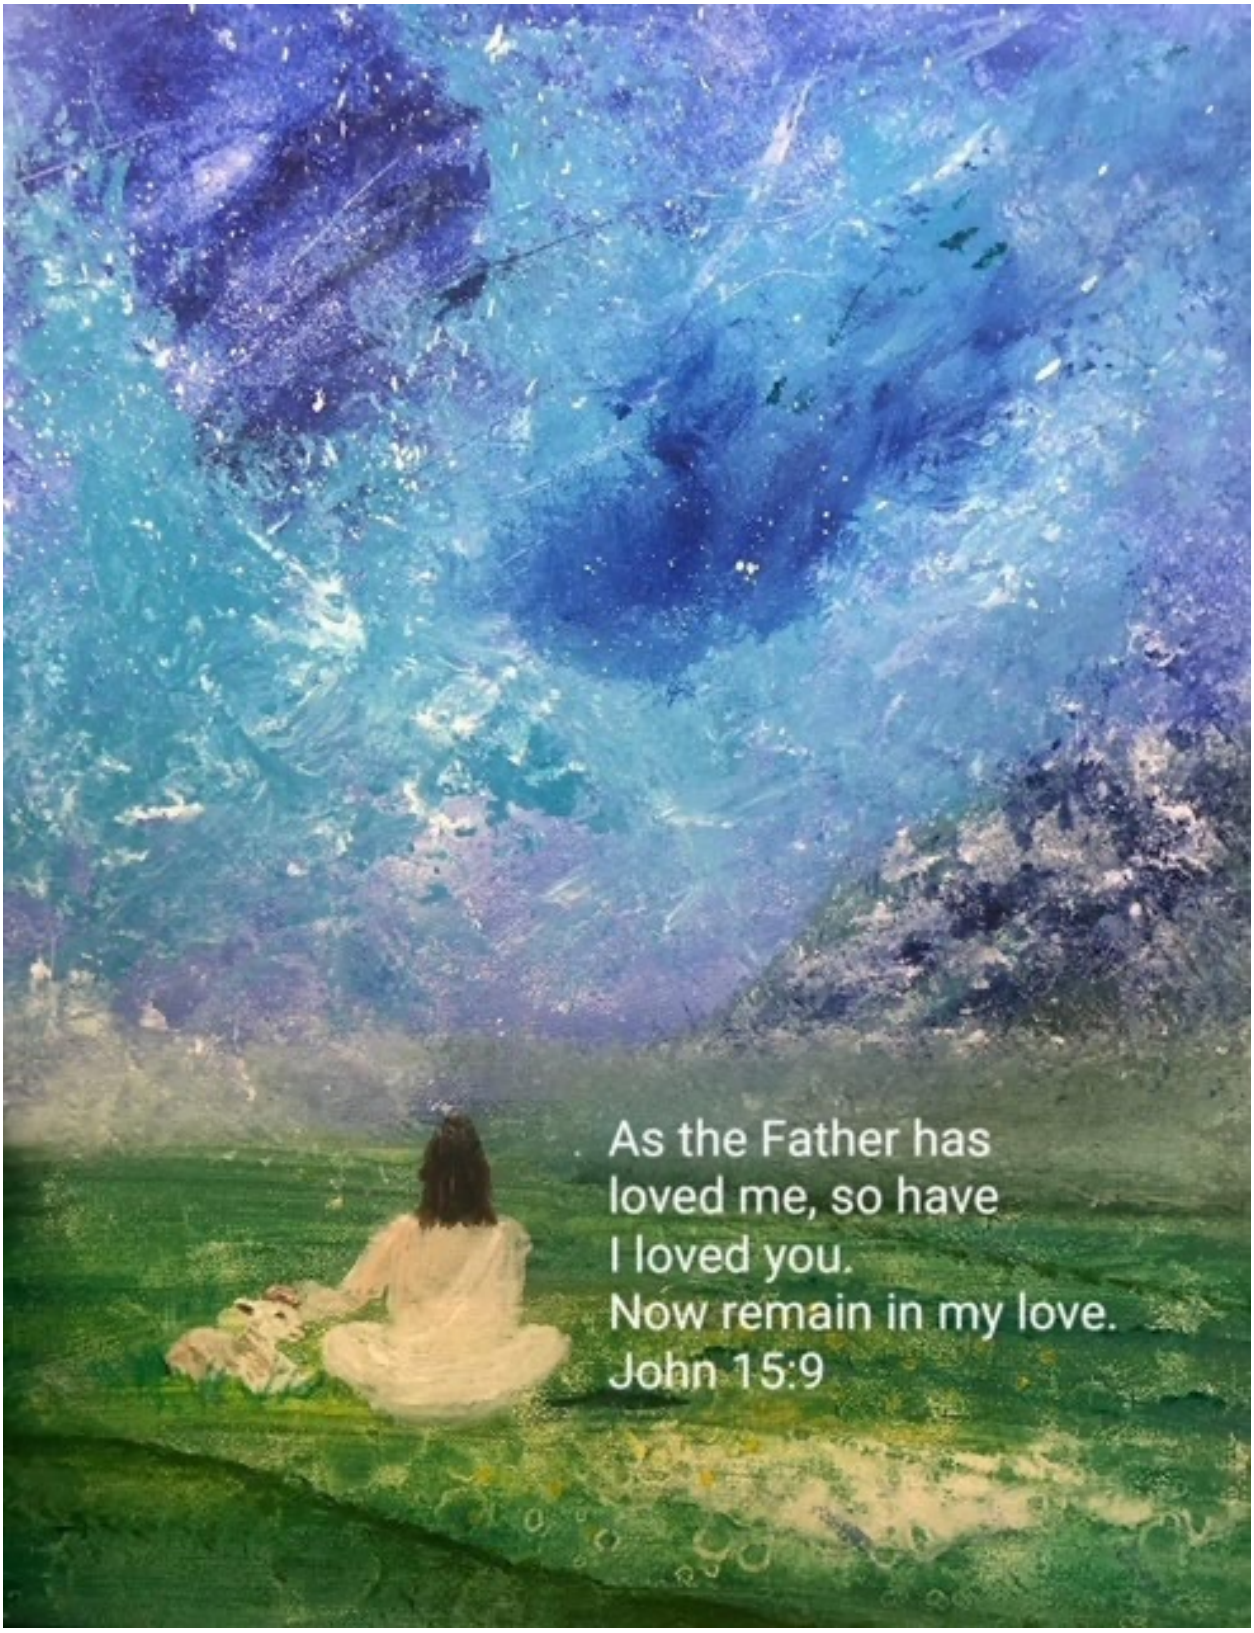
[Verse 2]
When the earth grows dim with worry,
When my heart forgets to see,
You remind me of Your goodness,
You remind me You love me.
Thankful for Your constant presence,
Grateful for Your guiding hand—
You are talking to the Father,
Interceding where I stand.

[Chorus]
Shepherd of my soul,
You lead me through it all.
In every fear, in every storm,
You hear my faintest call.
You named the stars in endless skies—
Yet still You think of me.
Shepherd of my soul,
Forever I will be
Held in Your mercy.

[Bridge]
Teach me to see Your goodness,
To trust through every night.
Your will on earth as in heaven,
Your love my guiding light.
Every star that burns with purpose
Is a promise shining true—
If You sustain the countless skies,
You'll surely carry me too.

[Final Chorus]
Shepherd of my soul,
Your faithfulness is sure.
In every hour, in every breath,
Your love forever pure.
You named the stars in endless skies—
You call my name as well.
Shepherd of my soul,
In You my spirit dwells.

[Tag]
Thank You, Lord—
Your mercy never ends.



As the Father has
loved me, so have
I loved you.
Now remain in my love.
John 15:9

Lightning

[Verse 1]
Thunder shakes the distant mountains,
Storm winds tear the sky apart.
Yet in every fierce upheaval
You are steady in my heart.
Rain falls only by Your promise,
Showers only by Your hand—
Lord of storm and Lord of stillness,
Over all the earth You stand.

[Chorus]
You are the God of lightning,
The God of whispered peace.
Power that splits the heavens,
Love that makes the turmoil cease.
Wind and fire may shake me,
Earth may tremble where I stand—
But You are in the gentle whisper,
Calling me with Your command.

[Verse 2]
Not in the roaring of the tempest,
Not in the quaking of the ground,
Not in the blaze that scorches—
But in stillness You are found.
You draw near in quiet mercy,
Speaking hope into my night.
You remind me You are sovereign,
Every shadow meets Your light.

[Chorus]
You are the God of lightning,
The God of whispered peace.
Power that splits the heavens,
Love that makes the turmoil cease.
Wind and fire may shake me,
Earth may tremble where I stand—
But You are in the gentle whisper,
Calling me with Your command.

[Bridge]
Lord of rain and revelation,
Lord of seasons, Lord of days—
You alone direct the waters,
You alone deserve the praise.
When the storm is loud around me,
Let my heart be still and know—
You're the God who speaks in thunder,
And the God who whispers low.

[Final Chorus]
You are the God of lightning,
The God who calms the sea.
Power unmatched in glory,
Mercy poured out endlessly.
Every storm bows down before You,
Every whisper shows Your hand—
Holy God of might and mercy,
Lead me where You stand.

In the whisper,
You are near.

Cooking Fish

[Verse 1]
On the shoreline of Your mercy,
Where the morning light is warm,
You invite me to be near You,
Safe and sheltered from the storm.
There You cook the meal of kindness,
Fish and bread upon the flame—
Simple gifts that tell the story
Of Your never-ending name.

[Chorus]
Jesus, let me sit with You,
Let Your presence make me whole.
In the quiet of Your nearness,
You restore my weary soul.
Every burden, every sorrow—
You absorb it in Your grace.
Jesus, let me sit with You,
And behold Your radiant face.

[Verse 2]
In the fragrance of the lavender,
In the sunlight on the sea,
I can feel Your love surround me,
I can hear You speak to me.
When I whisper my confession,
All the sin I try to hide—
You are faithful to forgive me,
And You draw me to Your side.

[Chorus]
Jesus, let me sit with You,
Let Your presence make me whole.
In the quiet of Your nearness,
You restore my weary soul.
Every burden, every sorrow—
You absorb it in Your grace.
Jesus, let me sit with You,
And behold Your radiant face.

[Bridge]
You're the One who formed the oceans,
You're the One who spoke the light.
You're the Hope that anchors deeply,
Drawing darkness into sight.
If I weep before Your glory,
You still hold me tenderly—
Every heartbeat, every moment,
You are walking close to me.

[Final Chorus]
Jesus, let me sit with You,
On the rock beside the sea.
Let Your voice be my assurance,
Let Your nearness carry me.
From the sunrise to the sunset,
Lord, Your love is ever true.
Jesus, let me sit with You—
There is nothing else I choose.

Rescue

[Verse 1]
When my heart was torn and aching,
When my spirit lost its way,
When I walked in bitter shadows,
Blind to mercy, blind to grace—
Still You held me by my hand,
Still You stayed so close to me;
In my ignorance and weakness,
You were all my eyes could see.

[Chorus]
You are my rescue,
My portion and my strength.
You guide me with Your counsel
Through the long and weary length.
Whom have I in heaven
But You, O Lord, my King?
You are my rescue—
My everything.

[Verse 2]
I was senseless in my sorrow,
Like a wanderer in the night;
Yet Your love refused to leave me,
Pulled me gently toward the light.
Every burden, every moment—
You were faithful, You were sure;
And the glory that awaits me
Makes my trembling heart endure.

[Chorus]
You are my rescue,
My portion and my strength.
You guide me with Your counsel
Through the long and weary length.
Whom have I in heaven
But You, O Lord, my King?
You are my rescue—
My everything.

[Bridge]
Take my hand and lead me onward,
Through the valley, through the flame.
You are with me, You are for me—
Everlasting is Your name.
Nothing on this earth can offer
What Your presence gives to me;
You are hope beyond the heartbreak,
You are life eternally.

[Final Chorus]
You are my rescue,
My portion and my song.
With You beside me,
Lord, I know I still belong.
When the shadows fall around me,
You remain my guiding King—
You are my rescue—
My everything.

Yet I am always with You—
You hold me by my hand.

The Fight

[Verse 1]
When the news fell like a shadow,
When the weight was hard to bear,
When my body felt like failing
And my heart sank into fear—
Still Your promise broke the silence,
"Child, I will not leave your side."
In the valley of affliction,
You became my hope, my guide.

[Chorus]
In the fight, You are my armor,
In the battle, You are strong.
Your love endures forever—
It has carried me along.
With salvation as my helmet,
With Your righteousness my light—
Jesus, You are with me
In the fight.

[Verse 2]
When my weakness overtook me,
When my strength was drained away,
When the nights were long and heavy
And my mind could only pray—
Still Your Word became my weapon,
Still Your Spirit held me fast;
And Your faithfulness reminded
Me this trial would not last.

[Chorus]
In the fight, You are my armor,
In the battle, You are strong.
Your love endures forever—
It has carried me along.
With salvation as my helmet,
With Your righteousness my light—
Jesus, You are with me
In the fight.

[Bridge]
Take the shield of faith before me,
Raise the sword of truth again.
Gospel shoes for every journey,
Peace that will not break or bend.
In the armor of Your promise,
Lord, I stand in victory—
Every breath and every heartbeat
Proves Your love sustaining me.

[Final Chorus]
In the fight, You are my armor,
In the battle, You are strong.
Your love endures forever—
It will carry me along.
With salvation on my shoulders,
With Your truth my guiding light—
Jesus, You are with me
In the fight.

Knitting

[Verse 1]
Thread by thread Your love is working,
Stitching hearts once torn apart.
Wounds that seemed too deep for healing
Find their mending in Your heart.
In the fellowship You give us,
Grace is woven through our days—
Christ Himself our hope and secret,
Hidden in Your wondrous ways.

[Chorus]
Knit us together
In the strength of Your love.
Bind us as one
By the peace from above.
Encouraged in heart,
In the mystery of Christ—
Knit us together,
Lord, make us one in Your life.

[Verse 2]
When the world feels cold and distant,
When our courage starts to fade,
You remind us we're united
By the sacrifice You made.
Every thread of holy mercy,
Every strand of faithful grace—
You are forming us in beauty,
As Your presence fills this place.

[Chorus]
Knit us together
In the strength of Your love.
Bind us as one
By the peace from above.
Encouraged in heart,
In the mystery of Christ—
Knit us together,
Lord, make us one in Your life.

[Bridge]
We are woven by forgiveness,
Held in unity so sweet.
Every joy and every sorrow
Finds its healing at Your feet.
Make us strong in love unbroken,
Make our fellowship complete—
Christ, our center and our glory,
Make our hearts in You meet.

[Final Chorus]
Knit us together,
Lord, in love's perfect thread.
Strengthen our spirits
With the truth You've said.
In confidence and comfort,
In the hope of Jesus' name—
Knit us together,
And we'll never be the same.

His Wound

[Verse 1]
Your kindness keeps pursuing
When my heart is slow to turn.
Your love remains unchanging
Though there's so much I must learn.
You call me from my wandering,
From the places I have run—
With everlasting mercy,
You draw me to the Son.

[Chorus]
Out of His wound flows healing,
Out of His heart flows grace.
Jesus, the gentle Savior,
Lifts me from my broken place.
Love that restores the weary,
Love that will not let go—
Out of His wound comes mercy
Wider than I know.

[Verse 2]
You lead me to the wilderness
To speak softly to my soul.
Where shame once built its fortress,
Your compassion makes me whole.
You teach me how to love again,
The way You never cease—
A faithful love unchanging,
A tenderness that brings peace.

[Chorus]
Out of His wound flows healing,
Out of His heart flows grace.
Jesus, the gentle Savior,
Lifts me from my broken place.
Love that restores the weary,
Love that will not let go—
Out of His wound comes mercy
Wider than I know.

[Bridge]
"Come to Me," You're calling,
"You who carry heavy care.
Take My yoke upon you—
You will find My rest is there."
In Your arms, the bruised are mended,
In Your love, the lost are found;
Every heart that turns to Jesus
Stands on holy, solid ground.

[Final Chorus]
Out of His wound flows healing,
Out of His heart flows grace.
Jesus, my gentle Shepherd,
Meets me in my broken place.
Love that restores the weary,
Love that will not let go—
Out of His wound comes mercy
Deeper than I know.

Angel Wing

[Verse 1]
What good is all the world's abundance
If I lose the life within?
What treasure could repay the ransom
For a soul weighed down by sin?
Yet You formed me in Your image,
Gave me worth no gold could buy—
Called me precious, called me chosen,
Lifted by Your love most high.

[Chorus]
Under Your angel wing,
Jesus, I am safe and known.
You will come in holy glory,
Calling every heart Your own.
No world could claim my soul,
No darkness steal my song—
Under Your angel wing,
My life to You belongs.

[Verse 2]
When You come with countless angels,
In the Father's glory bright,
Every deed will stand before You,
Every secret brought to light.
Yet for those who trust Your mercy,
Clothed in grace and held secure,
There is joy beyond the heavens—
There is love that will endure.

[Chorus]
Under Your angel wing,
Jesus, I am safe and known.
You will come in holy glory,
Calling every heart Your own.
No world could claim my soul,
No darkness steal my song—
Under Your angel wing,
My life to You belongs.

[Bridge]
You made me in Your likeness,
You breathed life into my frame.
You crowned me with Your purpose,
You engraved me with Your name.
Though the world may chase its shadows,
I will stand in truth and sing—
My Redeemer is returning,
I am sheltered by His wing.

[Final Chorus]
Under Your angel wing,
Held in love that cannot fade.
When You come in holy splendor,
I will rise unafraid.
Every longing finds its answer,
Every promise You will bring—
Under Your angel wing,
Forever I will cling.

Tree of Life

[Verse 1]
Breath of God, You formed creation,
Shaped my being by Your hand.
Made in likeness of Your glory,
Blessed to flourish in this land.
Every heartbeat bears Your imprint,
Every moment speaks Your grace;
I am called to shine Your goodness—
Child of heaven in this place.

[Chorus]
Like a tree of life,
Rooted in Your love.
Rivers of living water
Flowing from above.
You have made me fruitful,
Called me to Your light—
Jesus, spring within me,
Ever burning bright.

[Verse 2]
You have spoken over mankind,
"Multiply and fill the earth."
In Your purpose we find meaning,
In Your presence, endless worth.
Through the desert of my doubting,
Through the spaces worn and dry—
Flows the river of Your Spirit,
Living water from on high.

[Chorus]
Like a tree of life,
Rooted in Your love.
Rivers of living water
Flowing from above.
You have made me fruitful,
Called me to Your light—
Jesus, spring within me,
Ever burning bright.

Out of the heart of those who trust You
Flows a river clear and sweet.
Streams of mercy for the thirsty,
Grace that rises at Your feet.
In the garden of Your choosing,
I will stand in truth and grow—
Blessed by You, O Lord of living,
Where Your waters freely flow.

[Final Chorus]
Like a tree of life,
Rooted deep and strong,
Bearing fruit in every season,
Lifting up salvation's song.
You have made me fruitful,
Called me to Your light—
Jesus, spring within me,
Ever burning bright.

Oil of God

[Verse 1]
How precious is the gift of brothers,
Hearts in unity as one.
Where Your love becomes our banner,
Where Your peace is never done.
Like the oil on Aaron's forehead,
Running down in holy streams—
There Your presence rests among us,
There You fill our deepest dreams.

[Chorus]
Oil of God, pour over me,
Flowing down in harmony.
Where Your children stand as one,
There You bless what You've begun.
Dew of Hermon, falling sweet—
Heaven's peace on earthly feet.
Oil of God, pour over me,
Bind our hearts in unity.

[Verse 2]
In the place where love is planted,
Life forevermore begins.
Every word becomes a witness,
Every touch a balm that mends.
Where the Spirit joins our journey,
Where forgiveness lights the way—
There Your kingdom shines in power,
There Your glory finds its stay.

Oil of God, pour over me,
Flowing down in harmony.
Where Your children stand as one,
There You bless what You've begun.
Dew of Hermon, falling sweet—
Heaven's peace on earthly feet.

Bind our hearts in unity.

Cover every wounded part.
Make our fellowship a refuge,
Make Your mercy fill each heart.

Let Your blessing overflow—
Life forever in Your presence,
Grace that all Your people know.

[Final Chorus]
Oil of God, pour over me,
Flow through every family.

Seal our hearts in unity.

Every step Your love has made.

You remember every struggle,
Every tear I've tried to hide.

I am held by One who saves.

Candles

[Verse 1]
Light of heaven, Image holy,
Christ, the God we long to see.
Firstborn over all creation,
Every breath begins in Thee.
By Your word the stars were scattered,
By Your hand the worlds were framed;
All things hold together in You—
Every heartbeat knows Your name.

[Chorus]
Jesus, Light of all the ages,
Shining truth our hearts embrace.
By Your cross You reconciled us,
By Your blood You gave us grace.
Candles burning in the darkness,
We reflect the light You give—
Jesus, Lord of all creation,
In Your glory let us live.

[Verse 2]
Once we wandered far from mercy,
Once our minds were set apart;
Enemies of truth and goodness,
Hidden shame within the heart.
Yet You came in flesh to free us,
Holy, blameless in Your sight—
Now we stand in hope unshaken,
Rooted deep in gospel light.

[Chorus]
Jesus, Light of all the ages,
Shining truth our hearts embrace.
By Your cross You reconciled us,
By Your blood You gave us grace.
Candles burning in the darkness,
We reflect the light You give—
Jesus, Lord of all creation,
In Your glory let us live.

[Bridge]
Hold us firm in faith unbroken,
Keep us steady in Your name.
Let our lives proclaim the story
Of the Lamb for sinners slain.
Every shadow bows before You,
Every fear dissolves in light—
Christ, the fullness of the Father,
Shine through us in holy might.

[Final Chorus]
Jesus, Light of all the ages,
Ever faithful, ever true.
By Your cross we stand forgiven,
By Your love we're made anew.
Candles burning in the darkness,
Let Your radiance overflow—
Jesus, King of all creation,
In Your presence let us glow.

Baptism

[Verse 1]
I go down into the water,
Let the old self fade away.
All my striving, all my shadows
Washed beneath this holy day.
In these waters, death is silenced,
In these waves, my chains are gone—
For the life I had is over,
And a brand new life has dawned.

[Chorus]
I am crucified with Jesus—
Now His life is living in me.

By His mercy I am free.
I am buried, I am risen,
I am held in nail-scarred hands.
Jesus lives His life within me—
By His grace alone I stand.

[Verse 2]
Not I who live, but Christ within me—
Every breath belongs to Him.
Faith, not fear, now shapes my footsteps,
Grace pours light where nights were dim.
What I lost has grown to glory,
What I gave is given back—
He has made my heart His temple,
He has kept me on His track.

[Chorus]
I am crucified with Jesus—
Now His life is living in me.

All that I once trusted
Now I lay before the Lamb.

Testifies to His great name.

I am crucified with Jesus—
Raised to life eternally.
Sin has lost its claim forever,
Grace has won the victory.

From the ashes You have lifted
Every heart once lost in night.

Chains are shattered, fear must go—
Freedom pours like living water,
Grace like rivers starts to flow.

We are changed from glory to glory,

Make Disciples

[Verse 1]
"You are Mine," the Father whispers,
Calling me by name with love.
Formed and chosen, fear is scattered
By the voice that comes above.
All authority is Yours, Lord—
Every nation, every shore.
You are with us as we follow,
You are with us evermore.

[Chorus]
Make disciples—
Hear the Savior's holy call.
Go in power,
For His Spirit births it all.
Teach the world to obey His words,
Baptize in the Father's name—
Make disciples,
For His presence stays the same.

[Verse 2]
On the mountain where they saw You,
Some in worship, some in doubt,
Still You spoke with tender mercy,
Still Your love was reaching out.
Life is found in every teaching,
Spirit-given, Spirit-led—
Words that echo through the ages,
Words the Prince of Heaven said.

[Chorus]
Make disciples—
Hear the Savior's holy call.
Go in power,
For His Spirit births it all.
Teach the world to obey His words,
Baptize in the Father's name—
Make disciples,
For His presence stays the same.

[Bridge]
To the nations, to our neighbors,
To the weary and the worn—
Christ is with us, Christ is for us,
Hope of every heart reborn.
Not by strength and not by effort,
But by Spirit, full of life—
We go forward in His promise,
We go forward in His light.

[Final Chorus]
Make disciples—
Till the whole world knows His grace.
Go in boldness,
Every step held by His face.
Teach the nations He is the Lord,
Baptize in His holy name—
Make disciples,
For His love remains the same.

To the very end.

Disability

[Verse 1]
When the path is dim before me,
When the steps are hard to trace,
When the night feels heavy-hearted
And I long for softer days—
Still You lead me through the shadows,
Hold my trembling hand in Yours.
You make level every rough place,
Open unexpected doors.

[Chorus]
You are the God who guides the blind,
Turning darkness into light.
You walk beside me in the sorrow,
You stay with me through the night.
Even when my heart is breaking,
Still Your presence does not fade—
You are the God who never leaves,
My comfort in the shade.

[Verse 2]
When the ones I love are hurting,
When the loss cuts sharp and deep,
When the memories ache with longing
And the silent moments weep—
Still You whisper, "I am with you,"
Still You gather every tear.
Through the heartbreak of farewell now,
You remain forever near.

[Chorus]
You are the God who guides the blind,
Turning darkness into light.
You walk beside me in the sorrow,
You stay with me through the night.
Even when my heart is breaking,
Still Your presence does not fade—
You are the God who never leaves,
My comfort in the shade.

[Bridge]
Hold my fragile heart, Lord Jesus,
Lift the weight I cannot bear.
In the valley of the heartache,
Show me mercy in despair.
When the road is rough with grieving,
When the night seems long and cold—
Lead me by Your faithful promise,
As Your loving hand unfolds.

[Final Chorus]
You are the God who guides the blind,
Turning darkness into day.
Every sorrow finds its healing
As You gently lead the way.
Even when my strength is failing,
Still Your love is unafraid—
You are the God who never leaves,
My shelter in the shade.

[Tag]

I trust Your hand.

Angel Horse / Messengers

[Verse 1]
When the night is thick with shadow
And my heart begins to fear,
When the world feels overwhelming
And no refuge seems near—
Still Your promise stands before me,
Still Your whisper calms my soul:
"Do not fear, for I am with you.
I am God and in control."

[Chorus]
Angel horse and holy fire,
Messengers of light surround.
Mountains filled with blazing chariots—
Heaven's armies guard the ground.
Though the battle rages fiercely,
Still my heart will trust Your word:
Those who stand with us are greater—
You are with us, Mighty Lord.

[Verse 2]
When my eyes are dim with worry,
When I only see the fight,
Open up my sight with mercy—
Let me see Your higher might.
Let me glimpse the hills of glory,
Chariots that line the skies,
Flames of heaven in formation
At my Father's calm command.

[Chorus]
Angel horse and holy fire,
Messengers of light surround.
Mountains filled with blazing chariots—
Heaven's armies guard the ground.
Though the battle rages fiercely,
Still my heart will trust Your word:
Those who stand with us are greater—
You are with us, Mighty Lord.

[Bridge]
Open up my eyes, O Savior,
Let me see what You reveal.
You have never left Your people,
You are strong and You are real.
Light the darkness with Your presence,
Fill my trembling heart with peace—
Till I know, with holy wonder,
Heaven's armies never cease.

[Final Chorus]
Angel horse and holy fire,
Standing guard on every side.
You have filled the hills with glory,
You have claimed me as Your child.
Though the battle rages fiercely,
Still Your promise is my sword:
Those who stand with us are greater—
You are with us, Mighty Lord.

[Tag]
Be encouraged—
God is with us.

Obedience

[Verse 1]
When my heart is worn and restless,
When my mind has lost its peace,
I sit down before the Father—
In His presence troubles cease.
Breathing slowly, I remember
Jesus holds me in His hand;
Strength and mercy gently meet me,
And by grace I rise again.

[Chorus]
Step by step in obedience,
Walking where Your light would lead.
Cutting all the ropes that bind me,
Learning how Your truth sets free.
Every moment shines with purpose,
Every trial has something new—
Step by step in obedience,
Lord, I give my life to You.

[Verse 2]
You're the same through trending seasons,
You're the refuge I can trust.
You forgive the sins I bring You,
Make my weary spirit just.
If the Son has set me free now,
I am free in every way—
Free to love and free to follow,
Free to serve You day by day.

[Chorus]
Step by step in obedience,
Walking where Your light would lead.
Cutting all the ropes that bind me,
Learning how Your truth sets free.
Every moment shines with purpose,
Every trial has something new—
Step by step in obedience,
Lord, I give my life to You.

[Bridge]
Feed Your sheep, You gently call me,
Share the story of Your grace.
Lift my eyes beyond earth's shadows,
Fix my heart on heaven's face.
Revelation grows with footsteps,
Every "yes" reveals Your care—
In the valley, in the sunlight,
Jesus, You are always there.

[Final Chorus]
Step by step in obedience,
Till my journey's work is done.
For the Father loves the Son, Lord,
And has placed all things in One.
Every good thing You withhold not
From the child who walks secure—
Step by step in obedience,
Lord, Your promises are sure.

Call Jesus

[Verse 1]
When your hope feels thin and threadbare,
When your strength is almost gone,
When the night is cold and heavy
And you cannot sing your song—
Still that thread is held by heaven,
By the One who won't let go;
Jesus wraps His love around you,
Whispers, "Child, you're not alone."

[Chorus]
Call Jesus—
He is nearer than your breath.
Call Jesus—
He will lift you from the depths.
Every tear He counts with mercy,
Every cry He hears with grace.
Call Jesus—
He will meet you in that place.

[Verse 2]
All your prayers are not forgotten,
Every whisper He has heard.
He delights in every heartbeat,
He restores with just a word.
You are always in His vision,
You are written in His love;
He is smiling as He holds you,
Drawing heaven from above.

[Chorus]
Call Jesus—
He is nearer than your breath.
Call Jesus—
He will lift you from the depths.
Every tear He counts with mercy,
Every cry He hears with grace.
Call Jesus—
He will meet you in that place.

[Bridge]
He will hold your trembling hand,
Lead you out of fear and night.
He will walk you into freedom,
He will flood your soul with light.
By His mercy you'll be changed,
By His kindness you will rise—
For the Savior who restores you
Looks on you with loving eyes.

[Final Chorus]
Call Jesus—
He will never turn away.
Call Jesus—
He is with you night and day.
Every prayer becomes a river,
Every tear a song of grace.
Call Jesus—
Feel His arms, His warm embrace.

Bow and Arrow

[Verse 1]
Before my life had taken shape,
You wrote my story in Your hand.
You formed my mouth into a weapon,
Truth to speak at Your command.
You hid me in Your holy shadow,
Shaped and polished, formed anew—
Every trial, every sorrow
Was preparing what You'd do.

[Chorus]
I am an arrow in the quiver of God,
Sharpened by mercy,
Healed by His rod.
These light afflictions carve glory within—
Sent where He sends me,
Used where He wills.
I am an arrow,
And You are my aim—
Jesus, my calling,
Forever the same.

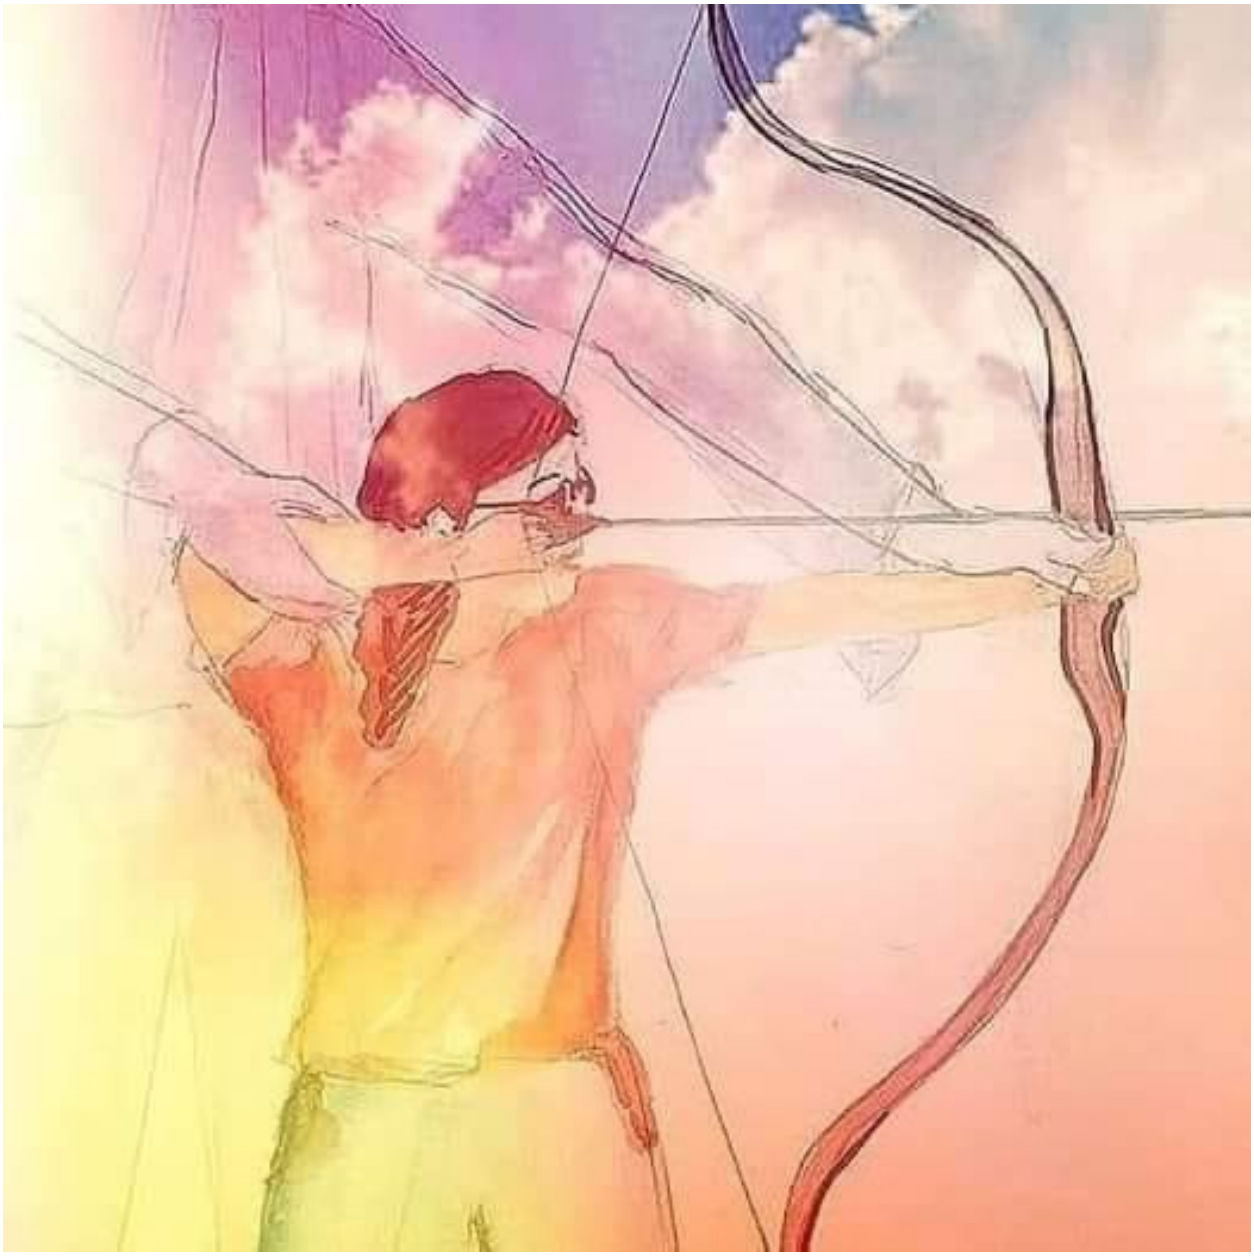
[Verse 2]
Nothing in me is forgotten,
Not a gift You left undone.
Every weakness turned to weapon
In the power of Your Son.
You place purpose in my footsteps,
Set a task within my reach;
You're the One who guides my aiming,
You're the One whose truth I speak.

[Chorus]
I am an arrow in the quiver of God,
Sharpened by mercy,
Healed by His rod.
These light afflictions carve glory within—
Sent where He sends me,
Used where He wills.
I am an arrow,
And You are my aim—
Jesus, my calling,
Forever the same.

[Bridge]
Forward, forward—
Eyes on Jesus.
Nothing wasted,
Nothing lost.
Every tear becomes testimony,
Every burden meets the cross.
Lord, release me where You want me,
Guide my flight through every trial—
Let my life declare Your glory,
Let my heart reflect Your smile.

[Final Chorus]
I am an arrow in the quiver of God,
Launched by His kindness,
Held by His rod.
Momentary troubles
Grow eternal joy within—
Sent where He sends me,
Used where He wills.
I am an arrow,
And You are my aim—
Jesus, my calling,
Forever the same.

[Tag]
Aim me, Lord—
Your will, not mine.



Bride

[Verse 1]
Radiant One, You stand before me,
Fairer than ten thousand more.
Every feature filled with glory,
Every word a healing pour.
Eyes like doves beside the waters,
Pure and gentle, calm and true—
Jesus, You are all my longing,
Every breath belongs to You.

[Chorus]
My Beloved,
You have captured all my heart.
My Bridegroom,
Set my soul and life apart.
Altogether lovely Savior,
Every longing You fulfill—
My Beloved,
I am Yours, and Yours my will.

[Verse 2]
Golden is Your head in splendor,
Black as raven are Your curls.
Cheeks like gardens filled with fragrance,
Lips that drip with myrrh in pearls.
Arms like rods of shining glory,
Ivory carved with gems so rare—
Jesus, You surpass all beauty,
None on earth with You compare.

[Chorus]
My Beloved,
You have captured all my heart.
My Bridegroom,
Set my soul and life apart.
Altogether lovely Savior,
Every longing You fulfill—
My Beloved,
I am Yours, and Yours my will.

Legs like alabaster columns,
Strong foundations You have laid.
Every step in love and power,
Every promise fully made.
Mouth most sweet, beyond all sweetness,
Voice that summons me to rise—
Jesus, all my heart adores You,
You are precious in my eyes.

[Final Chorus]
My Beloved,
Fairer than ten thousand bright.
My Bridegroom,
Crowned in everlasting light.
Altogether lovely Savior,
King whose beauty never fades—
My Beloved,
You are mine through endless days.

Horse with Rainbow

[Verse 1]
Riding through the stormy shadows,
Colors breaking through the gray,
Love eternal arches o'er me—
Heaven's promise on display.
Not a fear can dim Your radiance,
Not a doubt can cloud Your name;
For Your love outshines the thunder,
And Your presence stays the same.

[Chorus]
Nothing separates—
Not the darkness, not the deep.
Nothing separates—
Not the sorrow, not the grief.
Neither death nor life before me,
Nor the powers still unknown—
Nothing separates me
From the love that calls me home.

[Verse 2]
Angels, demons, heights, or heartache,
Future worries, present pain—
None of these can break the promise
That Your love will still remain.
You surround me like a rainbow,
Glory rising over fear—
Christ, the love that lasts forever,
Jesus, You are always near.

[Chorus]
Nothing separates—
Not the darkness, not the deep.
Nothing separates—
Not the sorrow, not the grief.
Neither death nor life before me,
Nor the powers still unknown—
Nothing separates me
From the love that calls me home.

[Bridge]
Every color speaks Your mercy,
Every promise holds me fast.
Through the storm and through the stillness,
Your unfailing love will last.
On the horse of holy triumph,
You ride faithfully above—
Banner over me forever,
Your unbreakable, boundless love.

[Final Chorus]
Nothing separates—
Not the trials yet to be.
Nothing separates—
You are always holding me.
In the rainbow of Your promise,
In the grace Your heart has shown—
Nothing separates me
From the love that calls me home.

[Tag]
Not now, not ever—
Your love remains.

Lamb

[Verse 1]
With one glance You stole my heartbeat,
With one whisper drew me near.
Love so gentle, yet so mighty,
Casting out my every fear.
You, the Lamb in perfect meekness,
You, the King in radiant light—
Every step You take toward mercy
Turns my darkness into sight.

[Chorus]
O Lamb of God,
You have captured all of me.
My heart is Yours,
Held in love so endlessly.
Your gentle voice has won me,
Your kindness made me whole—
O Lamb of God,
You are the Lover of my soul.

[Verse 2]
One small jewel upon my necklace,
One faint sparkle in Your gaze—
Yet You say it thrills Your spirit,
Fills Your heart with endless praise.
How could You, the Lord of glory,
Call my love a precious thing?
Yet You reach for me with longing,
Heaven's great and humble King.

[Chorus]
O Lamb of God,
You have captured all of me.
My heart is Yours,
Held in love so endlessly.
Your gentle voice has won me,
Your kindness made me whole—
O Lamb of God,
You are the Lover of my soul.

Your love is not demanding,
It is patient, pure, and kind.
You unveil my deepest longings,
Call me Yours in heart and mind.
I am lost within Your nearness,
Found within Your warm embrace—
Every breath becomes a worship,
Every moment filled with grace.

[Final Chorus]
O Lamb of God,
Perfect beauty, holy flame.
You have claimed me,
Called me softly by my name.
Your gentle voice has won me,
Your love has made me whole—
O Lamb of God,
Forever Lover of my soul.

The Lord is my shepherd...
Psalm 23

Baby Moses

[Verse 1]
Before the river carried him,
Before the basket touched the stream,
God whispered over Moses' life
A promise deeper than his dream.
"In the waters, I am with you,
In the currents, you are Mine.
Though the waves may rise around you,
I will hold you every time."

[Chorus]
You spoke over Moses,
You speak over me—
Words of protection,
Words of destiny.
When I pass through waters,
Lord, You call me by my name.
You are the God who stays beside me,
Faithful, present, still the same.

[Verse 2]
Hidden in a woven cradle,
Destined for a mighty call.
Safely drifting through the danger,
Held by God who sees it all.
Every thread within my being
You have woven with delight;
And the path I fear I wandered
You can nudge back into light.

[Chorus]
You spoke over Moses,
You speak over me—
Words of protection,
Words of destiny.
When I pass through waters,
Lord, You call me by my name.
You are the God who stays beside me,
Faithful, present, still the same.

[Bridge]
What did You say
As You knit me together?
What truth did You breathe
In my very first breath?
You saw every trial,
You saw every river—
And You promised Your presence
Would silence my death.
You hold my beginning,
You carry my days—
All of my footsteps
Are shaped by Your ways.

[Final Chorus]
You spoke over Moses,
You speak over me—
Life with a purpose,
Hope with certainty.
When I pass through waters,
Or when fires try to rise,
You will keep me, You will guide me—
You have written all my skies.

[Tag]
Just a nudge from Your will—
And You bring me home again.

Strength and Comfort

[Verse 1]
On the hillside of Your mercy,
Wrapped in colors of Your grace,
I lean in close and feel Your heartbeat—
Oh, to see Your longing face.
In the quiet of the evening,
Where the sky meets ocean's sigh,
You surround me with Your presence,
Whisper love that never dies.

[Chorus]
You are my strength,
You are my comfort,
Peace for my heart and my home.
When I feel poor in spirit,
You remind me I'm not alone.
For the kingdom blooms within me,
When I wait and when I yearn—
You are the One I long for,
And the One to whom I turn.

[Verse 2]
Every color in the heavens
Feels like breath upon my soul.
You draw near when I am broken,
Making shattered places whole.
Blessed am I when I am longing,
Blessed when I bow in need—
For You promise consolation,
And You come with gentle speed.

[Chorus]
You are my strength,
You are my comfort,
Peace for my heart and my home.
When I feel poor in spirit,
You remind me I'm not alone.
For the kingdom blooms within me,
When I wait and when I yearn—
You are the One I long for,
And the One to whom I turn.

[Bridge]
Oh the happiness You offer
When my hands are weak and bare—
Heaven opens just a little,
And I breathe Your living air.
You are Lord of all creation,
Yet You hold me like a friend;
In Your arms I find my refuge,
In Your peace I rest again.

[Final Chorus]
You are my strength,
You are my comfort,
Authority above all things.
When I wait in quiet longing,
I am sheltered by Your wings.
Blessed in holy poverty,
Blessed in every tear I cry—
You are the One I'm made for,
My delight and my supply.

[Tag]
Your peace on my household—
Your comfort ever near.

On the Mountain Top

[Verse 1]
On the mountain of Your presence,
Where the cloud and glory breathe,
You invite me, "Come aside now,
Find the rest your soul must need."
Here the wind of heaven whispers,
Here Your Spirit makes me new—
In the solitude with Jesus,
All my burdens fall from view.

[Chorus]
On the mountain top,
Your glory washes over me.
New wine flowing,
Setting every captive free.
As I wait upon the Lord,
Strength is rising like the dawn—
On the mountain top with Jesus,
Every fear is finally gone.

[Verse 2]
In the colors of Your kingdom,
Fire and mercy intertwine.
Revelation pours like rivers,
Teaching heart and soul to shine.
You reveal Your holy secrets,
Not in haste but over time—
Ever deepening Your goodness,
Ever widening the divine.

[Chorus]
On the mountain top,
Your glory washes over me.
New wine flowing,
Setting every captive free.
As I wait upon the Lord,
Strength is rising like the dawn—
On the mountain top with Jesus,
Every fear is finally gone.

[Bridge]
Like an eagle lifted higher
By the breath of heaven's breeze,
I rise up on wings of promise,
Carried far above the seas.
Spirit of the Lord brings freedom,
Breaking chains I used to know—
In Your presence I am rising,
In Your glory I will grow.

[Final Chorus]
On the mountain top,
Your whisper calls me near Your heart.
New wine pouring,
Making all things new to start.
As I wait upon the Lord,
Strength and peace come flooding in—
On the mountain top with Jesus,
I am made alive again.

[Tag]
Speak, Lord—
Your servant waits.

Freedom in Forgiveness

[Verse 1]
From the clouds of grace and mercy,
Through the colors of the dawn,
Comes a white horse running freely
Where the weight of shame is gone.
In the presence of the Spirit,
Every chain begins to break;
Light pours in like waves of healing,
Fear and judgment fall away.

[Chorus]
Freedom in forgiveness,
Freedom in Your light.
When I choose to let go,
You remove the endless night.
Where Your Spirit reigns in power,
Every heart can rise above—
Freedom in forgiveness,
Lifted by Your love.

[Verse 2]
You have drawn me from the corners
Of a world I barely knew.
Called me chosen, called me servant—
Said, "I've never once left you."
So I mirror what You've spoken,
Giving mercy as You give;
In forgiving, I find freedom,
In releasing, I can live.

[Chorus]
Freedom in forgiveness,
Freedom in Your light.
When I choose to let go,
You remove the endless night.
Where Your Spirit reigns in power,
Every heart can rise above—
Freedom in forgiveness,
Lifted by Your love.

[Bridge]
No more fear or punishment,
No betrayal in this place.
Just the atmosphere of heaven,
Just the tenderness of grace.
Your yoke is easy, Lord, You tell me—
And I feel the burden lift;
When I speak the words, "I forgive you,"
Both our souls receive the gift.

[Final Chorus]
Freedom in forgiveness,
Rising like the morning sky.
On the white horse of Your presence,
Every shadow passes by.
You have chosen me forever,
Held me close, called me Your own—
Freedom in forgiveness,
In Your mercy I am known.

[Tag]
"I forgive you"—
And heaven breathes again.

I Am With You

[Verse 1]
In the desert of my longing,
Where the night sky burns with flame,
I can see You by the firelight—
Gentle eyes that call my name.
Every color in the heavens
Moves like mercy over me;
And the flowers bloom at midnight
Where Your presence chooses me.

[Chorus]
I am with You—
That's the promise in Your gaze.
Here beside this glowing fire,
All my fear is swept away.
I am with You—
Every heartbeat says it's true.
There is no place in creation
I'd rather be than with You.

[Verse 2]
You're not worried, You're not hurried,
You're at ease in every storm.
Like a river's quiet whisper,
Your soft voice keeps my heart warm.
Desperate for Your holy nearness,
And You sit so close tonight—
Lord, Your steadfast love surrounds me
In the shadows of this light.

[Chorus]
I am with You—
That's the promise in Your gaze.
Here beside this glowing fire,
All my fear is swept away.
I am with You—
Every heartbeat says it's true.
There is no place in creation
I'd rather be than with You.

[Bridge]
Holy Spirit, spread Your wings now,
Cover us beneath the skies.
In the crackling warmth of fire,
I see glory in Your eyes.
Beauty born in desert places,
Flowers rising in the night—
Every hidden thing You nurture
Grows and blossoms in Your light.

[Final Chorus]
I am with You—
And Your presence is my home.
All the stars bow down in wonder
At the goodness You have shown.
I am with You—
And my grateful tears confess:
You are here, You are forever,
Full of love and faithfulness.

Your greatness unsearchable—
Your nearness everything.
